

Inspiring Nurses. Empowering Professionals. Transforming Nursing Practice.

About Us

MISSION

To serve Doctors of Nursing Practice of Color through networking, mentorship, and advocacy to increase diversity in doctoral studies, clinical practice, and leadership.

VISION

To inspire, empower, and transform the landscape of nursing by increasing diversity in doctoral nursing practice.

OBJECTIVES

- To create opportunities for engagement in academia, research and clinical practice
- To advocate for educational support for DNP's of Color
- To serve as mentors and guide nurses of color to pursue doctor of nursing practice studies

HISTORY

Launched in 2020, in response to the lack of community for nurses of color that had or in pursuit of the DNP degree. Today, DOCs has over 2,000 members internationally. DNP's of Color serves as a source of support, encouragement, inspiration, validation, and most importantly a safe space. Members have garnered mentorships, fostered numerous connections, and networking opportunities.
