

Week Six

Overview

Week Six: Complete the Methods

- Discuss the Methods draft and what problems are coming up
- Review the flow, content, and subsections and do some editing together, making sure to follow the journal guidelines and providing the right detail
- Look at a couple of similar published projects together and compare the content to mentee's draft

Homework

- Complete the Methods section; review Step 4 video of MDM; draft the Results section

Complete the Methods section; review Step 4 video of MDM; draft the Results section

MyDNPManuscript.com
Expert Writing Instruction Exclusively for DNP Students and Graduates

The My DNP Manuscript writing program--officially titled Six Steps to a Publication-Ready Journal Manuscript--is a unique instructional program available to all currently enrolled doctor of nursing practice (DNP) students and DNP program graduates.

The program is now available in both an 8-week on-demand/self-paced video format, and an instructor-led, 8-week taught program.

The writing program features:

- expert instruction on how to write a publishable manuscript about your DNP project or any EBP/QI project,
- insider information from experts in the field of manuscript editing and writing regarding what goes into a journal manuscript and what stays out, and
- specific methods for avoiding the most common mistakes previous DNP students have made while attempting to write their final manuscripts for submission to a journal.

Week Six Checklist
